

# KIDS IN NEED OF MCHENRY COUNTY

## ANNUAL SPONSORSHIP PACKET

---

**Make A Difference In A Child's Life Today!**

Kids in Need of McHenry County was started in 2017 by foster moms who worked to fill the gaps in resources that they experienced themselves. KIN continues to develop new programs based on the needs of families.

Kids In Need of McHenry County consists of two main programs. Our Second Bridge program provides much needed resources for our referred families. We work with school social workers, case workers, agency workers and caregivers to identify the needs of children. We deliver requests to the doors of the families in need. In 2024, we also opened The Bridge. It is a free store where our families can shop for clothes, shoes, socks, underwear, toiletry/personal care items, bedding, toys and much more. They also can receive school supplies, winter gear, and birthday & holiday gifts.

KIN is also proud of our Visitation Home. This is a fully function home where children in care can visit with their biological families in a safe and friendly environment. Families can enjoy the living areas, eat together, play together and enjoy being a family while they receive a high level of supportive supervision.

# WHO WE ARE

# OUR PROGRAMS & EVENTS

## Second Bridge

Our resource program is home to our free store, The Bridge. Our families can shop with dignity for clothes, shoes, personal care items, toys, diapers, bedding and more through this program,

## Visitation Home

This beautiful, fully functioning home is where kids in care can visit with their biological family. It is a welcoming and safe environment where the families can just be families.

## School Supplies

KIN provides school supplies to around 600 kids annually. The children are either in foster care or have been referred by their schools.

## Playdates

We are proud to offer our foster and adoptive families playdates monthly. These events allow the kids to bond with other kids they can relate to and it is an amazing support group for the parents.

## Holiday Gifts

In 2024, KIN provided gifts for over 1,025 kids through sponsorships and other community partnerships. We provide 3 high-quality gifts per child.

## Holiday Party

Every year, KIN hosts a holiday party for 150 of our most vulnerable children. They can pick out toys, visit with Santa, eat a meal and play games with their friends and teen buddies.
